Welcome to Anthem Student Advantage

As your new school year begins, it's important to understand your health care benefits and how they work. Your Anthem Student Advantage plan will help guide you through that process with information about who is eligible, what is covered, how much it costs, and the best ways to access care.

What you need to know about Anthem Student Advantage

Who is eligible?

- If you're a registered Caltech undergraduate or graduate student, you're eligible for Caltech student medical insurance.
- For an additional charge, you may also enroll your spouse or domestic partner and eligible dependent children.
- Coverage is required! All registered students must have medical insurance — either Caltech insurance or other insurance that meets Caltech's waiver requirements.

Notes

- All medical and prescription drug deductibles, copayments and coinsurance apply toward the out-ofpocket maximum.
- No charge means no deductible/copayment/coinsurance up to the maximum allowable amount. 0% means no coinsurance up to the maximum allowable amount. However, when choosing a Non-network provider, the member is responsible for any balance due after the plan payment.
- If your plan includes out-of-network benefits, Innetwork and out-of-network deductibles, copayments, coinsurance and out-of-pocket maximum amounts are separate and do not accumulate toward each other.

Exclusions

In this section you will find a review of items that are not covered by your Plan. This section is only meant to be an aid to point out certain items that may be misunderstood as Covered Services. This section is not meant to be a complete list of all the items that are excluded by your Plan.

1. Administrative Charges.

- a) Charges to complete claim forms,
- b) Charges to get medical records or reports,
- c) Membership, administrative, or access fees charged by Doctors or other Providers. Examples include fees for educational brochures or calling you to give you test results.

2. Alternative / Complementary Medicine.

Services or supplies for alternative or complementary medicine. This includes the following. This Exclusion does not apply to Medically Necessary services to treat Severe Mental Illness or Serious Emotional Disturbances of a Child as required by state law.

- a) Acupressure, or massage to help alleviate pain, treat illness or promote health by putting pressure to one or more areas of the body
- Aquatic therapy and other water therapy except for other water therapy services that are part of a physical therapy treatment plan and covered under the "Therapy Services" section of this Booklet,
- c) Holistic medicine,
- d) Homeopathic medicine,
- e) Hypnosis,
- f) Massage and massage therapy, except for other massage therapy services that are part of a physical therapy treatment plan and covered under the "Therapy Services" section of this Booklet,
- g) Reiki therapy,
- h) Herbal, vitamin or dietary products or therapies,
- i) Naturopathy,
- j) Thermography,
- k) Orthomolecular therapy,

- s) Neurofeedback / Biofeedback.

3. Autopsies.

Autopsies and post-mortem testing.

4. Before Effective Date or After Termination Date.

Charges for care you get before your Effective Date or after your coverage ends, except as written in this Plan.

5. Certain Providers.

Services you get from Providers that are not licensed by law to provide Covered Services as defined in this Booklet. Examples include masseurs or masseuses (massage therapists), physical therapist technicians, and athletic trainers. This Exclusion does not apply to Medically Necessary services to treat Severe Mental Illness or Serious Emotional Disturbances of a Child as required by state law.

 Charges Not Supported by Medical Records. Charges for services not described in your medical records.

7. Charges Over the Maximum Allowed Amount. Charges over the Maximum Allowed Amount for Covered Services.

8. Clinical Trial Non-Covered Services.

Any Investigational drugs or devices, non-health services required for you to receive the treatment, the costs of managing the research, or costs that would not be a Covered Service under this Plan for non-Investigational treatments.

9. Compound Drugs.

Compound Drugs unless all of the ingredients are FDA-approved in the form in which they are used in the Compound Drug and as designated in the FDA's Orange Book: Approved Drug Products with Therapeutic Equivalence Evaluations, require a prescription to dispense, and the compound medication is not essentially the same as an FDA-approved product from a drug manufacturer. Exceptions to non-FDA approved compound ingredients may include multi-source, non-proprietary vehicles and/or pharmaceutical adjuvants.

10. Cosmetic Services.

Treatments, services, Prescription Drugs, equipment, or supplies given for Cosmetic Services. Cosmetic Services are meant to preserve, change, or improve how you look. This exclusion does not apply to Reconstructive Surgery for breast symmetry after a mastectomy, surgery to correct birth defects and birth abnormalities, services provided for the treatment of Gender Dysphoria, or any surgery to correct deformities caused by congenital or developmental abnormalities, illness, or injury for the purpose of improving bodily function or symptomology or creating a normal appearance.

11. Court Ordered Testing.

Court ordered testing or care unless Medically Necessary.

12. Custodial Care.

Custodial Care, convalescent care or rest cures. This Exclusion does not apply to Hospice services.

13. Delivery Charges.

14. Dental Services

- Dental care for Members age 19 and older, except for what is provided for in the "What's Covered" section under Dental Services (All Members/All Ages).
- b) Dental services not listed as covered in this Booklet.
- c) Dental services which a Member would be entitled to receive for a nominal charge or without charge if this coverage were not in force under any Worker's Compensation Law, Federal Medicare program, or Federal Veteran's Administration program. However, if a Member receives a bill or direct charge for dental services under any governmental program, then this Exclusion shall not apply. Benefits under this Plan will not be reduced or denied because dental services are rendered to a Student who is eligible for or receiving medical assistance.
- d) Procedures which are not generally accepted standards of dental practice within the organized dental community in California.
- e) Dental services or health care services not specifically listed in the "What's Covered" section of this EOC (including any Hospital charges or Prescription Drug charges and dental services or supplies that do not have an American Dental Association Procedure Code, unless covered by the medical benefits of this Plan).

- f) Dental services completed prior to the date the Member became eligible for coverage or received after the coverage under this Plan has ended.
- g) Analgesia, analgesia agents, medicines and Drugs for surgical or nonsurgical care.
- Local anesthetic when billed separately from a Covered Service, as this is a part of the final service, such as for restoration services (fillings, crowns).
- i) Dental services performed other than by a licensed dentist, licensed Physician, his or her employees.
- j) Dental care services you received for which you are not legally obligated to pay or dental care services you received for which there would be no charge to you in the absence of insurance.
- k) Covered Services received from a person who lives in the Member's home or who is related to the Member by blood, marriage or adoption.
- Dental services, appliances or restorations that are necessary to alter, restore or maintain occlusion, including: increasing vertical dimension, replacing or stabilizing tooth structure lost by attrition, realignment of teeth, periodontal splinting and gnathologic recordings.
- m) Dental services provided by dentists solely for the purpose of improving the appearance of the tooth when the tooth structure and function are satisfactory and no pathologic conditions (such as cavities) exist. This includes tooth whitening agents, bonding and veneers or restorations (such as fillings) placed for preventive purposes.
- n) Incomplete services where the final permanent appliance (denture, partial, bridge) or restoration (filling, crown) has not been placed.
- o) Athletic mouth guards, enamel microabrasion and odontoplasty.
- p) Bacteriologic tests.
- q) Cytology sample collection.
- r) Separate services billed when they are an inherent component of another Covered Service.
- s) Services for the replacement of an existing partial denture with a bridge, unless the partial denture cannot satisfactorily restore the case.
- t) Additional, elective or enhanced prosthodontic procedures including connector bars, stress breakers and precision attachments.
- u) Provisional splinting, temporary procedures or interim stabilization
- v) Adjunctive diagnostic tests.
- w) Cone beam images.

- bb) The controlled release of therapeutic agents or biologic modifiers used to aid in soft tissue and osseous tissue regeneration.
- cc) Hemisection of deciduous teeth.
- dd) Crowns are not covered unless the tooth is damaged by decay or fracture with loss of tooth structure to the point it cannot be restored with an amalgam or resin restoration.
- ee) Inlays.
- ff) Services or supplies that are not Medically Necessary.
- **15. Drugs Contrary to Approved Medical and Professional Standards.** Drugs given to you or prescribed in a way that is against generally accepted standards of medical practice or inconsistent with FDA approvals (except covered off-label use).

16. Drugs Over Quantity or Age Limits.

Drugs which are over any quantity or age limits set by the Plan unless Medically necessary and approved through an exception request (please see the "Prior Authorization" provision in the section "Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy).

- **17. Drugs Over the Quantity Prescribed or Refills After One Year.** Drugs in amounts over the quantity prescribed, or for any refill given more than one year after the date of the original Prescription Order.
- 18. Drugs Prescribed by Providers Lacking Qualifications/Registrations/ Certifications.

Prescription Drugs prescribed by a Provider that does not have the necessary qualifications, registrations, and/or certifications.

19. Drugs That Do Not Need a Prescription.

Drugs that do not need a prescription by federal law (including Drugs that need a prescription by state law, but not by federal law), except for injectable insulin. This exclusion does not apply to drugs and other products that are available over-the-counter and do not legally require a Prescription, but are recommended by the USPSTF or the Health Resources and Services Administration for certain individuals as preventive care services, when prescribed by a licensed Provider.

20. Educational Services.

Services, supplies or room and board for teaching, vocational, or selftraining purposes. This includes boarding schools and/or the room and board and educational components of a residential program where the primary focus of the program is educational in nature rather than treatment based. This Exclusion does not apply to Medically Necessary services to treat Severe Mental Illness or Serious Emotional Disturbances of a Child as required by state law, or to educational and counseling services related to screening for or the treatment of asthma, diabetes, HIV, tobacco use prevention and cessation, family planning and contraceptive management, breastfeeding, nutritional counseling, or educational services in the treatment of mental health or substance abuse.

21. Experimental or Investigational Services.

Services or supplies that we find are Experimental / Investigational, except as specifically stated under Clinical Trials in the section "What's Covered." This Exclusion applies to services related to Experimental / Investigational services, whether you get them before, during, or after you get the Experimental / Investigational service or supply.

The fact that a service or supply is the only available treatment will not make it Covered Service if we conclude it is Experimental / Investigational.

If a Member has a life-threatening or seriously debilitating condition and Anthem determines that requested treatment is not a Covered Service because it is Experimental or Investigational, the Member may request an Independent Medical Review. See the "Grievance and External Review Procedures" section for further details.

22. Eye Exercises.

Orthoptics and vision therapy.

23. Eye Surgery.

Eye surgery to fix errors of refraction, such as near-sightedness. This includes LASIK, radial keratotomy or keratomileusis, and excimer laser refractive keratectomy.

24. Eyeglasses and Contact Lenses.

Eyeglasses and contact lenses to correct your eyesight unless listed as covered in this Booklet. This Exclusion does not apply to lenses needed after a covered eye surgery.

25. Family Members.

Services prescribed, ordered, referred by or given by a member of your immediate family, including your spouse, child, brother, sister, parent, in-law, or self.

26. Foot Care.

Routine foot care unless Medically Necessary. This Exclusion applies to cutting or removing corns and calluses; trimming nails; cleaning and preventive foot care, including:

- a) Cleaning and soaking the feet.
- b) Applying skin creams to care for skin tone.
- c) Other services that are given when there is not an illness, injury or symptom involving the foot.

27. Foot Orthotics.

Foot orthotics, orthopedic shoes or footwear or support items except as covered under Durable Medical Equipment and Medical Devices, Orthotics, Prosthetics, and Medical Surgical Supplies or used for a systemic illness affecting the lower limbs, such as severe diabetes.

28. Foot Surgery.

Surgical treatment of flat feet; subluxation of the foot; tarsalgia; metatarsalgia; hyperkeratoses. This Exclusion does not apply to Medically Necessary reconstructive surgery to correct congenital defects, developmental abnormalities, trauma, infection, tumors, or other disease as stated in the "Surgery" provision in the section "What's Covered".

29. Government Treatment.

Any services you actually received that were provided by a local, state, or federal government agency, or by a public school system or school district, except when payment under this Plan is expressly required by federal or state law. This Exclusion does not apply to Medically Necessary services you receive from the Student Health Center, if such services are otherwise covered by this Plan. We will not cover payment for these services if you are not required to pay for them or they are given to you for free. You are not required to seek any such services prior to receiving Medically Necessary health care services that are covered by this Plan.

30. Growth Hormone Treatment.

Any treatment, device, drug, service or supply (including surgical procedures, devices to stimulate growth and growth hormones), solely to increase or decrease height or alter the rate of growth.

31. Health Club Memberships and Fitness Services.

Health club memberships, workout equipment, charges from a physical fitness or personal trainer, or any other charges for activities, equipment, or facilities used for physical fitness, such as a gym, even if ordered by a Doctor. This Exclusion also applies to health spas. This Exclusion does not apply to Medically Necessary therapy services as specified under the "Therapy Services" provision in the section "What's Covered" when rendered by a licensed health care Provider.
