Welcome to Anthem

As your new school year begins, it's important to understand your health care benefits and how they work. Your Anthem plan will help guide you through that process with information about who is eligible, what is covered, how much it costs, and the best ways to access care.

What you need to know about Anthem

Who is eligible?

- If you're a registered Caltech undergraduate or graduate student, you're eligible for Caltech student medical insurance.
- For an additional charge, you may also enroll your spouse or domestic partner and eligible dependent children.
- Coverage is required! All registered students must have medical insurance — either Caltech insurance or other insurance that meets Caltech's waiver requirements.
