Anthem Student Advantage 101

Who is eligible?

- All International and Intensive English Program students enrolled at your school are eligible for and are required to purchase this insurance plan. International students who have been approved for permanent residency are not eligible.
- The Company maintains its right to investigate student status and attendance records to verify that the eligibility requirements have been met. If and whenever the Company discovers that the eligibility requirements have not been met, its only obligation is a refund of premium, less any claims paid.

California requires residents and their dependents to obtain, and maintain, health coverage or pay a penalty, unless they qualify for an exemption. Enrolling in student health insurance offered by the college or university you are attending is one way to meet this requirement. You may be eligible to get free or low-cost health coverage through Medi-Cal regardless of immigration status. In addition, you may be eligible for free or low-cost health coverage through Covered California. Visit Covered California at www.coveredca.com to learn about health coverage options that are available for you and your dependents, and how you might qualify to get financial assistance with the cost of coverage. If you are under 26 years of age, you may be eligible for coverage as a dependent in a group health plan of your parent's employer or under your parents' individual market coverage. In addition, you may be eligible to buy individual health insurance directly from a health insurer or health plan, regardless of immigration status. Please examine your options carefully to see if other options are more affordable and whether you are currently eligible to enroll in these other forms of coverage pursuant to an open or special enrollment period.
