

As your new school year begins, it's important to understand your health care benefits and how they work. Your Anthem Student Advantage plan will help guide you through that process with information about who is eligible, what is covered, how much it costs, and the best ways to access care.

What you need to know about Anthem Student Advantage

Who is eligible for the Plan?

All SDSU students enrolled in graduate or post-baccalaureate programs at SDSU and SDSU Imperial Valley, excluding those covered by the existing SDSU International Student requirement, are automatically enrolled in this insurance plan, unless a waiver on the basis of other current health insurance coverage is submitted.

Students must actively attend classes on campus for the first 31 consecutive days after the effective date, except for university-authorized breaks.

Remote courses such as home study, correspondence and online courses do not fulfill this requirement.

A once-per-lifetime medical withdrawal exception may be granted to students on school approved medical leave during the first 31 days of coverage.

All refund requests must be sent to the University who will confirm non-student status with JCB, and submit

the refund request on behalf of the student. Only refunds submitted by the University before the refund deadline will be considered. Credit card refunds must be requested and processed within 120 days of the date of purchase and before the refund deadline. No refunds will be considered after the refund deadline. All refunds will be processed back to the original form of payment only, no exceptions. All refunds will be assessed a \$35 processing fee. Please allow 30 business days for us to receive and process the refund request, then an additional 3-5 business days to receive your refund from your financial institution. Pro-rated/partial refunds are not allowed. NOTE: You can check to see if your refund has been processed by logging in to your JCB account.

Coverage for dependents (spouse/children) is not available under this plan.
