

Welcome to Anthem

As your new school year begins, it's important to understand your health care benefits and how they work. Your Anthem plan will help guide you through that process with information about who is eligible, what is covered, how much it costs, and the best ways to access care.

What you need to know about Anthem

Who is eligible?

IMPORTANT: Proof of Health Insurance is Required on the Malibu campus.

- All Pepperdine students are required to carry a health insurance plan. Those registered through the Malibu campus are eligible for the Student Health Insurance Plan to meet this requirement. All registered Malibu students will be automatically enrolled in the Pepperdine-sponsored Student Health Insurance Plan (SHIP) unless they choose to submit an online waiver of comparable insurance coverage.
- Home study, correspondence, Internet and television (TV) courses do not fulfill the eligibility requirement of actively attending classes on campus.
- Part time Straus Dispute Resolution students (less than 8 units) are also ineligible for SHIP.
- Waivers must be submitted each academic year to avoid being charged the SHIP fee.
- Eligible students who involuntarily lose coverage under another group insurance plan are also eligible to purchase the SHIP within 30 days of loss of coverage. These students must provide proof that they have lost insurance through another group (certificate and letter of ineligibility) within 30 days of the qualifying event. The effective date would be the later of the date the student enrolls and pays the premium or the day after prior coverage ends.
- To be eligible for the SHIP, students must actively attend classes for at least the first 31 days after the date for which coverage is purchased.

Coverage is available for dependents, too.

If you are covered by Anthem through Pepperdine University, you may enroll your lawful spouse, domestic partner or dependent children under the age of 26.
