

As your new school year begins, it's important to understand your health care benefits and how they work. Your Anthem Student Advantage plan will help guide you through that process with information about who is eligible, what is covered, how much it costs, and the best ways to access care.

What you need to know about Anthem Student Advantage

Who is eligible?

- › All international students **are required and automatically enrolled** in this insurance plan at registration, and the premium for coverage is added to their tuition billing.
- › All students from the United States **are automatically enrolled in this insurance plan at registration and the premium for coverage is added to their tuition billing** unless proof of comparable coverage is furnished.
- › Students must actively attend classes for at least the first **45 days** after the date for which coverage is purchased. Coverage is also available for students engaged in "Practical Training." Enrollment must be accompanied by confirmation of Practical Training from the insured in the form of a copy of your EAD. Contact Academic HealthPlans for more details.
- › Eligible students who involuntarily lose coverage under another group insurance plan are also eligible to purchase the Student Health Insurance Plan within **30 days** of loss of coverage. These students must provide Academic HealthPlans with proof that they have lost insurance through another group (certificate and letter of ineligibility) within **30 days** of the qualifying event. The effective date would be the later of the date after the student enrolls and pays the premium or the date after prior coverage ends.
